

WCU On-Campus Race Packet

All races held on campus must complete this Race Packet, obtain all required signatures, and refer to the WCU Race Resource Guide. This process ensures each organization hosting a race on campus will put on a quality, safe event for the Western Carolina University and surrounding communities.

Included in this race packet are two forms that must be completed within the timeframes listed below, as well as the waiver that needs to be used for all races on campus. Failure to submit paperwork on time or utilize the correct waivers will result in the cancellation of the requested event. If a race is held on campus without the proper application forms submitted, approvals received, and waivers completed, disciplinary action will occur.

Form 1: WCU On-Campus Race Application (General)

This form must be completed, including all approval signatures, no later than 14 days prior to the race. This form can be submitted to the Associate Director for Campus Recreation & Wellness. ***Only submit this form once you have UPD approval via Form 2*** and necessary UPD signatures on Form 1.

Form 2: WCU On-Campus Race Application (Campus Police)

This form must be submitted to the WCU Police Department (WCUPD) Event Coordinator ***before*** the general application with no later than 14 days prior to the race. If an alternate route is being requested, submission must occur no later than 90 days prior to the event. This gives Campus Police enough time to set up meetings with the race organizers to discuss possibilities and approve alternate routes.

Race Route

The approved route for races is the Catamount 5K route on the Campus Walking Routes. This map can be found on the Campus Recreation & Wellness website at reccenter.wcu.edu. Click on *Recreation & Wellness*, then *Walking Routes*. If using this route, no additional approvals are required for the route.

Waiver

The waiver in this packet must be used for all races on campus. If any changes are made to the waiver, these must be made through the Legal Counsel Office on campus.

EMS Standby Request

On the application, the EMS Standby Request is required to be made prior to submitting forms and holding event. The request form can be found on the WCU Emergency Medical Services website, ems.wcu.edu. After submitting the request, print a copy of the confirmation page to include with this application.
